## 2018 ANNUAL REPORT

FISCAL YEAR  
JULY 1, 2017 -  
JUNE 30, 2018

# From the Executive Director and Board President

Dear Friends,

It has been a year since we changed our name to Community Table and so much has happened. We've added new services such as Living Well Showers that are bringing health and dignity back to our homeless neighbors. We've helped more families find affordable housing. We've established emergency food pantries at many of our Feeding the Future schools and at both Head Start locations in Jefferson County. We've distributed nearly 1.5 million pounds of food through our Client Choice and Mobile Food pantry programs. We've helped keep the lights and heat on for hundreds of families. And, we've helped hundreds of people improve their lives with job coaching, GED preparation, obtaining public benefits and more. But most of all, we've given hope to thousands of families throughout Northern Jefferson County.

We've also spent this year planning and working with partners such as the Physician Assistant Program at Red Rocks Community College to open an onsite health clinic for people without healthcare coverage. When open later this year, the clinic will provide blood pressure and diabetes screening and monitoring, flu shots, diagnosis and treatment of infections and other basic health services.

None of this would be possible without community support. Whether through financial contributions, volunteer support or food donations, we are able to help our friends and neighbors in need because of YOU. We are truly grateful. Thank you.

With gratitude,

Sandy Martin  
Executive Director

Jill Fellman  
Board President

**P.S. Throughout our annual report, you can read more about all we've accomplished thanks to the support of the community as well as the grateful words from people he have been able to help.**

# Words of Thanks

Heartfelt comments from friends and neighbors we were able to help with the support of the community

// Thank you so much for the service you provide for so many people. I am a grateful recipient of food bank items as well as the Thanksgiving gift card, which was truly a blessing. I have used it with a grateful heart. Thank you to all who make the 'table' possible. //

// Thank you for everything that you do! If it wasn't for your help, it would be very hard to make sure my son can eat on the weekends. We appreciate everything that you work hard for. //

// It was really hard for me to come to the food bank after having worked all my life but then getting laid off after 12 years at my former employer. It was very difficult for me at my age to find another position and very depressing when the bills kept coming in but not much to pay them with. Thank you for being there at one of the most difficult times in my life and not making me feel like the loser I felt like I was. Slowly turning things around and wanted to let you know how much it was appreciated! //

// As a victim of domestic violence, there are days that I still tread water to keep my head up and not give up. I sincerely thank you for all the amazing help you offer those who come to you. //

## Gifts to Community Table are in good hands and come with a wholesome return.

With each \$1 you donate, we can provide enough food for three nutritious meals. Community Table has a "4-Star" rating on Charity Navigator, a "Gold Seal of Transparency" on GuideStar and we are a Better Business Bureau "Accredited Charity", which means you can trust that your donation will be used to help those in need in your community.

# COMMUNITY Table

Founded in 1982, Community Table provides hunger relief, self-sufficiency programs and emergency support for people in need across 100 square miles of Northern Jefferson County.
