2019 ANNUAL REPORT

FISCAL YEAR
JULY 1, 2018 -
JUNE 30, 2019

From the Chief Executive Officer and Board Chair

Dear Friends,

Wow! What an amazing year we have had.

This past fall, we opened the Community Table Health Clinic for adults who are not covered by health insurance. The clinic offers free onsite basic medical care in partnership with the Red Rocks Community College Physician Assistant Program. Several dozen patients have visited the clinic so far for health issues ranging from immunizations and diabetes monitoring to HPV testing, suturing, asthma care and general physicals. Patients report they have been treated with compassion and kindness and they are extremely grateful for the health care provided by these dedicated medical students.

Our Bridges to Opportunity program is working with the Arvada Municipal Court to help reconnect people experiencing homelessness to the community and the resources available to them.

We've added new walk-in refrigerators and freezers to our Client Choice Pantry. These new units are more energy and cost-efficient and have added 100 square feet to our storage capacity allowing us to take more donations of perishable food.

Our board of directors has been working hard all year to transition from an operating board to a governance board and has developed and adopted new bylaws, policies and committees including a new community outreach committee. The board said goodbye to three long-term outstanding officers—Chair Jill Fellman, Treasurer Carl Kantner and Secretary Alan Albrandt and welcomed new officers: Harry Fuller, chair; Steve Galbraith, vice chair; Judith Denham, secretary; and Jerelyn Marinelli, treasurer. Please visit our website at cotable.org to learn more about our dedicated board members.

It goes without saying that we could not do what we do without the generous contributions of time, talent and treasure provided to us by our dedicated volunteers, donors, partner agencies, and local businesses and governments—Arvada, Wheat Ridge and Westminster. The outpouring of community support shown to us through the annual Stamp Out Hunger food drive which brought in 80,000 pounds of food in a single day to the ongoing food drives conducted by local businesses, churches, schools and service clubs makes it possible for us to provide nutritious and substantial amounts of food for neighbors in need throughout Northern Jefferson County.

Thank you for making our community one of kindness, compassion and love!

With gratitude,

Sandy Martin

P.S. Throughout our annual report, you can read more about all we've accomplished thanks to the support of the community as well as the grateful words from people we have been able to help.

The Power of Community

Here's what we accomplished during the year with the support of the community

Words of Thanks

Heartfelt comments from friends and neighbors we were able to help with the support of the community.

// I would just like to say thank you for this program and thank you to all of the volunteers. Everyone is always so friendly and smiling. It's very hard to ask for help for some. My family has come across hard times and I just want to say that you are all appreciated. //

// When we retired, I thought we would have a good life. Then my husband died. My medical bills got higher and I had trouble getting by. Community Table really helps me make ends meet each month. //

// I've never had to go to a food bank before to eat but rather was on the other end. Community Table fed an executive chef for four months. I'm not sure what the future holds for me but as long as Community Table is open the future will be better for many. //

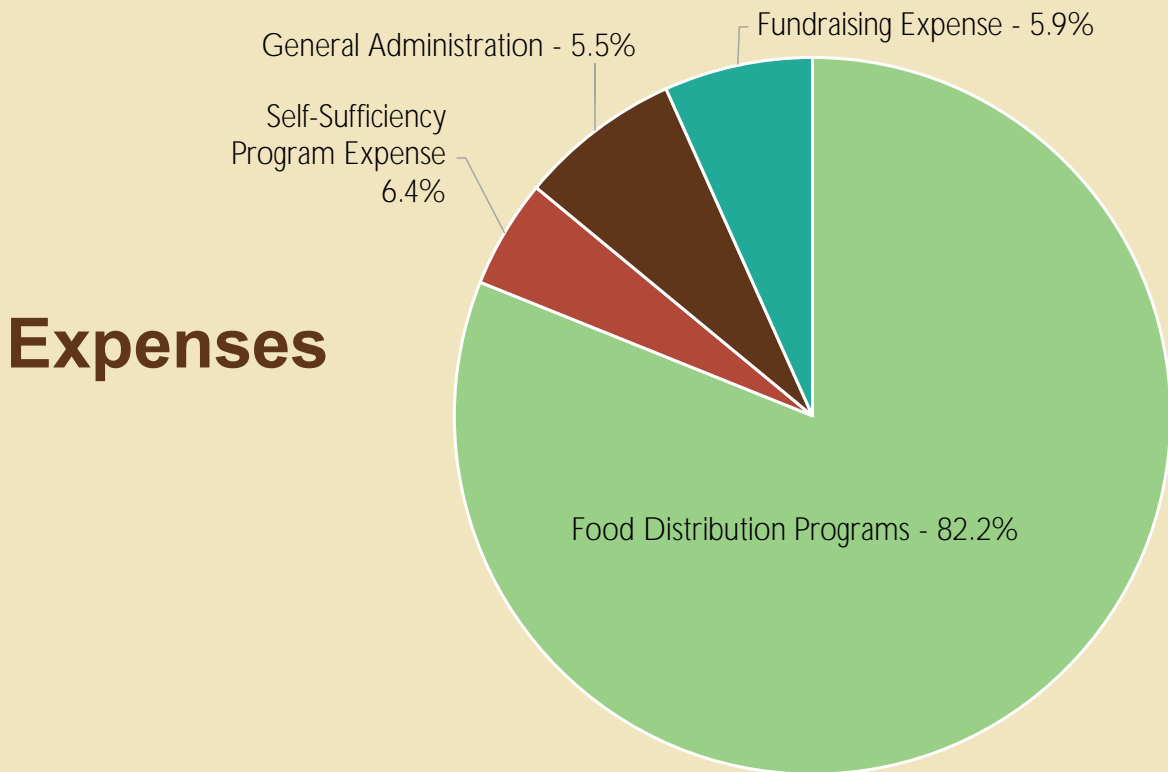

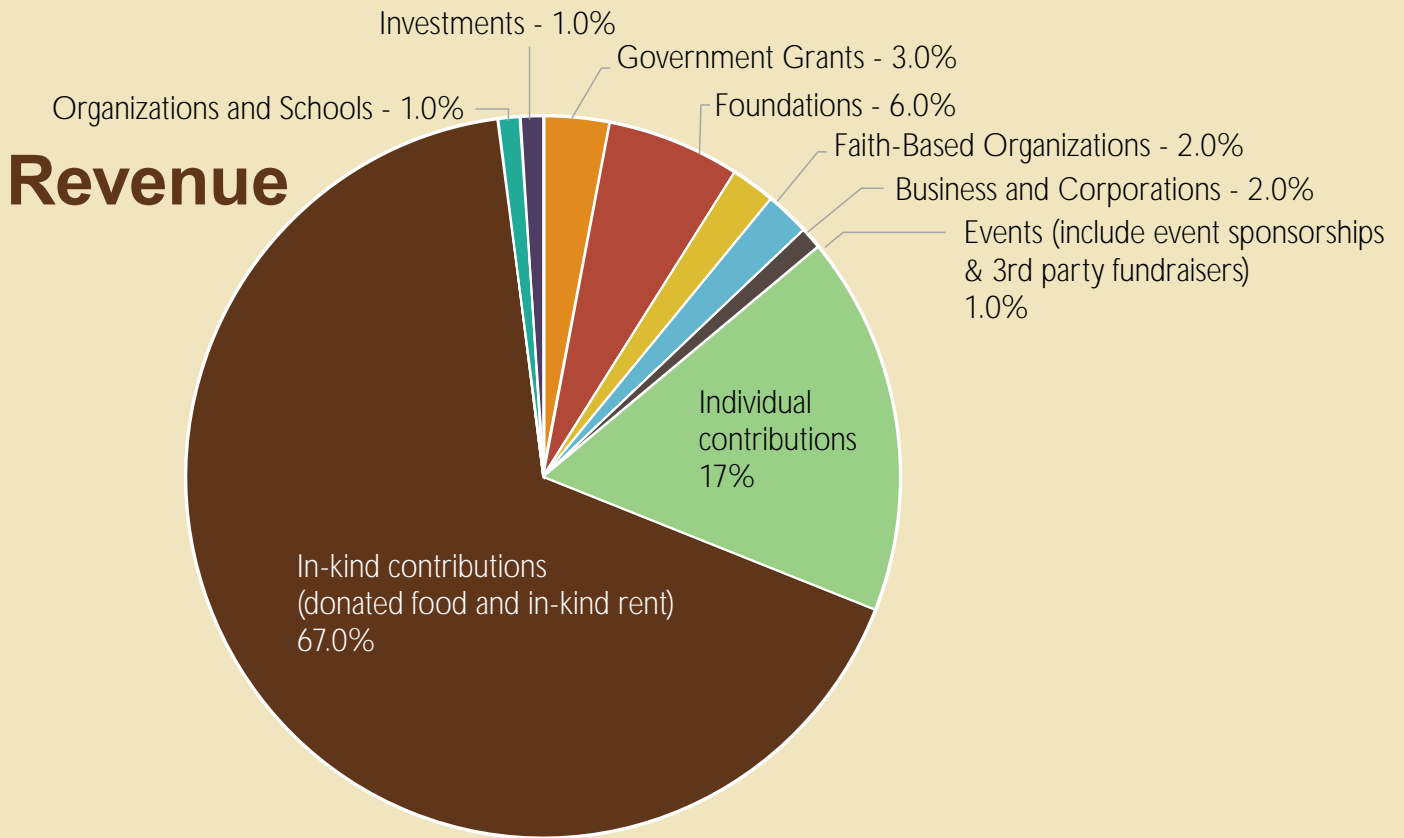

// I really like your backpack bags because sometimes we don't have any food. //

// Thank you for the wonderful food you send home throughout the school year. And thank you for the information on all the other resources Community Table has to offer. I had no idea you help out with so much more than just food. //
