2021 Annual Impact Report

FISCAL YEAR JULY 1, 2020 - JUNE 30, 2021

From the Chief Executive Officer and Board Chair

In a year unlike any other, we are humbled and overwhelmed with gratitude for your compassion, generosity and support.

Dear Friends,

Many of us hoped that 2021 would be the beginning of the end of COVID-related difficulties. But 2021, just like 2020, ended up being unlike other years. **While the pandemic continued to turn life upside down for all of us, it also renewed our deep commitment to our purpose: ensuring that all people have the good food they need, even during difficult times.**

We are humbled and overwhelmed by how the community came together and rallied behind our mission to feed, help and provide hope for those in need. **Your efforts helped us support so many throughout the pandemic: working parents who lost jobs, children who could no longer receive free meals at school, seniors afraid to leave their homes, families struggling to keep the lights and heat on and a roof overhead.**

Throughout the ongoing health crisis, I'm proud to say that our resilient staff and dedicated corp of volunteers continued to find innovative solutions for some of the most daunting pandemic challenges and obstacles. This flexibility and innovation were critical over the past two years when we had to pivot operations at every turn to meet the unprecedented and growing need.

As we repeatedly retooled our operations to better serve those in need, we never lost sight of our mission. Here are a few accomplishments that I am incredibly proud of:

- This past year, we distributed 1.2 million pounds of food—the equivalent of 1,020,000 million meals.
- We expanded our Feeding the Future program to year-round operation and supplied multiple summer Jeffco Early Learning locations with kid-friendly snacks, weekend food sacks and commodity boxes for families.
- With community support, we purchased a replacement box truck that will help rescue food from grocery stores and transport meals to underserved communities for years to come.
- Realizing that many of the families we help need more flexibility in accessing food, we are now open on select Saturdays during the month. In 2021, this new weekend drive-thru provided 79,000 pounds of food to 800 families.

As we continue to learn from and evaluate the impacts of the pandemic, we are working hard to build a better and brighter future for our food-insecure neighbors. In fact, **we're getting ready to launch several new initiatives--a more interactive and informative website, a text messaging system to better communicate with families in need and a new shower and laundry truck for people experiencing homelessness. In the coming months, we can't wait to share more details about these projects and our upcoming 40th-anniversary celebration.**

From the bottom of our hearts, thank you for your commitment to building a hunger-free community and trusting us to get the job done. Your partnership is essential, and we are truly honored to receive your support. **Friends like you bring hope to Colorado families in need.**

With gratitude,

P.S. Throughout our annual impact report, you can read more about all we've accomplished thanks to the support of the community as well as grateful words from people we've been able to help.

Financials and Impact - Fiscal Year 2021

Our ability to feed and assist thousands of hungry and struggling families annually is a direct result of the thousands of donors and volunteers who give their money and time to ensure that everyone in our community has enough to eat.

Words of Thanks

These are just a few of the many comments we receive from families we are able to help due to the kindness and generosity of the community. For every \$10 we receive in donations, we can provide 30 nutritious meals for hungry families in our community.

“ When we sit down to dinner, we thank God for the food bank. ”
- Eric

“ During these tough financial times, the Community Table food bank has been a real lifesaver. When you're hungry, it's difficult to focus on much else. The volunteers and staff are kind and friendly. The food is well organized, and the portions are generous. I am truly grateful for their assistance. ”

- Tosha

“ I love this food bank. The people are very kind, and the food is never spoiled. The selection is awesome, and you get to choose your own stuff. They always have unlimited bread. They have computers, and the Bridges program is really nice too if you need more help. ”

- Amanda

“ Thank you very much for being here for us who need you. I cried when I left from receiving food. You took a huge weight off my shoulders. GOD bless you and everyone there. ”

- Anna

“ Very nice and helpful people. I needed some food because my cabinets were bare, so I went there, and they helped me out. I love my Community Table. ”

- Barry

“ ...I found Community Table on the state's resource page and am so thankful for everyone involved with the organization. Not only were they super friendly, but the quality of the food and the incredible amount was also so appreciated. ”

- Elizabeth

Your Gift to Community Table is in good hands and comes with a wholesome return.

With each **\$1** you donate, we can provide enough food for **THREE** nutritious meals. Community Table has a **Platinum Seal of Transparency** on GuideStar, a **3-Star** rating on Charity Navigator, and we are a Better Business Bureau **Accredited Charity**, which means you can trust that we will use your donation to help those who are hungry and struggling in our community.

“ Unless someone like you cares a whole awful lot, nothing is going to get better. It's not. ”

- *The Lorax* by Dr. Suess

Founded in 1982, Community Table provides hunger relief, emergency support and self-sufficiency programs for people in need across the northern metro Denver area.
