2020 ANNUAL REPORT

FISCAL YEAR JULY 1, 2019 - JUNE 30, 2020

From the Chief Executive Officer and Board Chair

Dear Friends,

It takes a community. When we changed our name in 2018 from Arvada Community Food Bank to Community Table, we knew that “community” was essential. But then the pandemic hit, and “community” took on even greater importance. Our community needed us more than ever, and we needed support from the community more than ever before.

Even though there was no roadmap or forecast for this health crisis, we adapted and responded immediately to distributing food by the box in our parking lot to anyone in need. And we shifted from meeting struggling families in-person to providing financial assistance for rent and utilities by phone and email. This is what organizations like us do. We step up and help. While the pandemic presented unique challenges due to its widespread impact, our focus was always on our community and how we could help those most in need.

None of our assistance would be possible without the support of the community. And last year, in the most uncertain of times, you stepped up more than ever before to ensure we could deliver our mission. With your support, we distributed nearly 1.3 million pounds of food and provided more than \$90,000 in emergency financial assistance.

Thank you for being a part of our community, empowering us, and for your steadfast commitment to helping your neighbors in need. Together, we will continue to provide hope for struggling families in our community throughout the current crisis and beyond.

With gratitude,

Sandy Martin
CEO

P.S. Throughout our annual report, you can read more about all we've accomplished thanks to the support of the community as well as the grateful words from people we have been able to help.

Financials and Impact - Fiscal Year 2020

Our ability to feed and assist thousands of hungry and struggling families annually is a direct result of the thousands of donors and volunteers who give their money and time to ensure that everyone in our community has enough to eat.

Words of Thanks

Heartfelt comments from friends and neighbors we were able to help with the support of the community.

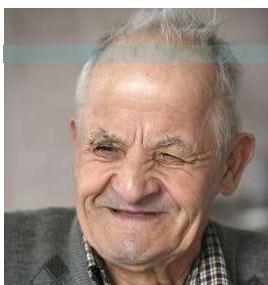

“Thank you for doing this work. Thank you for being there in my dark hour. I will never forget the comfort that your organization and volunteers offered me. It was just as important, if not more, than the food I got to take home.”

- Single Mom

“God bless this organization and their people. They provide good and nutritious food to those in need. With COVID-19 and unemployment rates, people like myself would starve if it wasn't for their time and dedication to helping others in need.”

- Jose

“Amazing resources there. They are definitely a blessing. I am so glad they are here. Great staff, very caring and outgoing. Always doing what is best for people in need.”

- Benjamin

“This is a wonderful place that serves their community with kindness and dignity.”

- Mary

“Thank you so much for the boxes of food donations. During this difficult time, it was so nice to have the help. The staff was so kind, and the food was wonderful.”

- Victoria

Your Gift to Community Table is in good hands and comes with a wholesome return.

With each \$1 you donate, we can provide enough food for **THREE** nutritious meals. Community Table has a *Platinum Seal of Transparency* on GuideStar, a 3-Star rating on Charity Navigator, and we are a Better Business Bureau *Accredited Charity*, which means you can trust that we will use your donation to help those who are hungry and struggling in our community.

"There is no better exercise for your heart than reaching down and helping to lift someone up."

- *Bernard Meltzer*

Founded in 1982, Community Table provides hunger relief, emergency support and self-sufficiency programs for people in need across the northern metro Denver area.
