Words of Thanks

These are just a few of the many comments we receive from families we are able to help due to the kindness and generosity of the community.

“ I’ve been going to Community Table for several years and I have received good quality meat, fish and dairy products. The staff is wonderful and they make you feel like you’re shopping in a regular grocery store. I always feel welcome when I come through the doors. The smiles and laughter of the staff and volunteers are the most heartfelt I’ve ever felt before. Thank you Community Table for all your hardwork and love you share with us!!! ” - DENISE

“ First time I had to get help. Friendly and helpful. God bless this place. I still have food from two weeks ago. Plus, I gave some to my roommate. They saved me. ” - JULIAN

“ This place is great—no boundaries for food. Anyone is welcome. They have a free medical clinic and a mobile dental clinic twice a month. The food is the best, and you get so much great food—milk, eggs, bread, etc. I love this place. ” - TASHENE

“ Very nice people. I haven’t had this much food in my house in years. ” - CHARLES

To Our Donors - Thank You!!!

We are sincerely grateful to everyone who supports Community Table with monetary and food donations and by volunteering their time. Thank you for your commitment to helping those who are struggling in our community.

Founded in 1982, the Arvada Food Bank, now known as Community Table, began distributing food to hungry families from a small house. Now in our 41st year, we have grown to be one of the largest emergency food assistance providers in the metro Denver area, serving Arvada, Edgewater, Denver, Federal Heights, Golden, Thornton, Westminster, Wheat Ridge and surrounding communities. Community Table employs nine staff members and 500 volunteers to feed and provide support and resources for thousands of struggling families annually.

Although providing food is still our core, our support for those in need extends far beyond. In 2014, we added a ‘hand up’ by adding programs and resources struggling families need to lift themselves out of poverty, including emergency financial assistance for rent and utilities, public benefits application assistance, client computer room and more. In 2019, we began hosting showers for people experiencing homelessness, and we opened an onsite health clinic for underinsured and uninsured adults. Our support for those in need continues to grow. We now offer laundry and shower services, GED tutoring and test preparation, dental care and even cooking programs for those on a budget.

With your continued support, we know we can do even more to help people in need.
