*“A quick note to say many thanks for the monthly food box. It has been lovely to receive. The food – very fresh with a nice assortment of canned and packaged items. The delivery folks are so pleasant. Again, thank you so much for this lovely gift. Many blessings to you and your staff.” - Ann*

**The average family we help has an annual income of \$15,756. The Federal poverty level is \$24,860.**

**These families manage to scrape by until an unexpected expense or event tips them over the edge. They then end up at our door in need of food and other support services.**

- **Hungry children**
- **Hardworking families**
- **Struggling seniors**

*"I have never been to a food bank like this! The staff was amazing and couldn't do enough to help! I can't believe the amount of food they gave us and how they weren't judgmental and truly have a heart for the service they provide! I just can't say enough good things about Community Table! Thank you so much and God bless!" - Anne*

*"I've been going to Community for several years and received good quality products of meat, fish and dairy. The staff is wonderful and they make you feel like you're shopping in a regular grocery store. I always feel welcome when I come through the doors. The smiles of the staff and laughter are the most heartfelt I've ever felt before. Thank you Community Table for all your hard work and the love you share with us!!!" - Denise*

# About Us

## COMMUNITY TABLE | Food. Help. Hope.

Founded in 1982 by a group of concerned citizens, the Arvada Food Bank, now known as Community Table, began distributing food to hungry families from a small house. Now in our 41st year, we have grown to be one of the largest emergency food assistance providers in the metro Denver area, serving Arvada, Edgewater, North Denver, Federal Heights, Golden, Thornton, Westminster, Wheat Ridge and surrounding communities. Community Table employs ten staff members and 500 volunteers to feed and provide support and resources for thousands of struggling families annually.

Although providing food is still our core, our support for those in need extends far beyond. In 2014, we added a 'hand up' by adding programs and resources struggling families need to lift themselves out of poverty, including emergency financial assistance for rent and utilities, public benefits application assistance, GED tutoring and test preparation, client computer room and more. In 2019, we began hosting showers for people experiencing homelessness, and we opened an onsite health clinic for underinsured and uninsured adults and children. Our support for those in need continues to grow. We now offer laundry and dental services and even cooking programs for those on a budget.

With your continued support, we know we can do even more to help people in need.

## ACFB FOUNDATION

The Arvada Community Food Bank Foundation, was founded in December 2014 to provide fundraising support for any needs that are over and above the day-to-day operations of Community Table. Since its establishment, the ACFB Foundation has provided more than \$400,000 in support of Community Table programs and operations.

**Community Table offers fun and rewarding volunteer opportunities!**
